This explanation of grades is effective from January 2011. For details of grades and notations in use prior to 2011 refer to <http://www.adelaide.edu.au>. This website also contains information regarding grading systems used for the former Roseworthy Agricultural College and for the South Australian College of Advanced Education which amalgamated with the University in 1991.

Grade Point Average (GPA)

A GPA is calculated for each coursework program in which a student is enrolled (with some exceptions). The GPA is displayed as a value between 0 and 7, based on the weighting of each course and the final grade achieved. The formula for determining a GPA is available at <http://www.adelaide.edu.au>
